To Whom It May Concern:

Big Horn County Weed & Pest Control District is requesting bids for spraying of State Highway rights-of-way. This request is for broad jet annual weed treatments on state highways and bare groundwork on state highways.
The District will select and provide herbicides and water. Please bid by the acre for bare groundwork and per lane mile for broad jet work.

State Highways: There are 284 miles in Big Horn County (Two sides = 568 miles)
There are approximately 65 acres that require sterilant

Please feel free to call me if you have more questions or would like more clarifications.

Bids are due by February 5th, 2021

Sincerely,

Cliff Winters
