To Whom It May Concern:

Big Horn County Weed & Pest Control District is requesting bids for spraying of County Road rights-of-way. This request is for broad jet weed treatments on county roads.

The District will select and provide herbicides and water. Please bid per lane mile for broad jet work.

County Roads:            There are 300 miles (Two sides = 600 miles)

All roads will be treated as prescribed by the county road & bridge and county commissioners.

Please feel free to call me if you have more questions or would like more clarifications.

Bids are due by February 5<sup>th</sup>, 2021

Sincerely,

Cliff Winters
